

## Veterans Home - Chippewa Falls

Family & Friend Updates Today 8.25.2020

Dear Family & Friends,

Your loved one continues to enrich the lives of our staff members through their words of encouragement, acts of kindness and willingness to share wisdom. Thank you for choosing our community to serve your family.

### **Covid Updates:**

Thankfully, I can confirm we have zero diagnosed COVID-19 cases among members and staff.

Although we continue to remain virus-free at the Veterans Home, we want to remind you to continue with all of the essential precautions. We thank you for continuing to follow the necessary guidelines when you visit the Veterans Home for window visits or gazebo gatherings, such as:

- Wearing your mask at all times covering your nose and mouth
- Keeping at least 6' of distance between you and anyone else on campus
- Not visiting when you are sick
- Keeping the member's window shut
- Properly using hand sanitizer

### **Gazebo Gatherings:**

We continue to have gazebo gatherings available for August. Starting in September, all members will again have the opportunity to schedule one gazebo gathering. If there are additional openings towards the end of September, we will let you know so other family members can schedule another visit.

As we know that some families can only come on the weekends, we are currently trying to find a way to schedule a few weekend gazebo gatherings. Please stay tuned - we will let you know those available dates via our voice messaging service and email soon.

Please do not hesitate to call us with any questions, comments, or concerns. We appreciate your support.

Best,

A handwritten signature in black ink, appearing to read "Megan".
